

30.30 Hearing

- There will be an update to the CourtRoom Program to handle 30.30 Hearings.
- Until that time please use the Court's current action code for 30.30 Hearings. Typically, it will be action code 013.
- If the court does not have a 30.30 Hearing action code one will need to be created for them

1. Utility, Edit Databases, Action Status Codes

RECORD NUMBER: 49 of 49

Enter court specific action code number for 30.30 Hearing

2. At the top select New, Add a New Code, select Yes
3. In the Code field select an action code number that hasn't been used. If unsure there is a button to the right for Print Code List, that will display what is being used.
4. In the Code_TXT field enter in: 30.30 Hearing
5. If you want to designate this code as an Arraignment Appearance check the corresponding box.
6. Leave the Start and End date fields blank
7. At the top select Save then Exit

- When adjourning a case for 30.30 Hearing use that action code number and use the comment field displayed on the adjournment screen with a brief description as to why. An example of what that may look like:
